COME AND SING MATTHEW COLERIDGE'S REQUIEM

We are looking forward to welcoming you to this special **Come and Sing** at Southwell Minster on Saturday 18th October, an opportunity to rehearse and perform the Coleridge *Requiem* (currently No. 65 in the Classic FM Hall of Fame), under the baton of the composer himself.

Arrival and Registration

Registration begins from **9.30am**; there is a 9am service of Holy Communion, so we kindly ask you to arrive quietly as this finishes. Please allow plenty of time for parking and registration, in order that we can start promptly at **10am**.

Car Parking

Car parks are located on Church Street opposite the Minster, King Street around the one-way system, Bishop's Drive (off Westgate – free long stay) or there is on-street parking on Church Street or Bishop's Drive. Please note that the car parks on Church Street and King Street are free only for up to one hour and Pay & Display thereafter. You are required to display a ticket, even in a free period.

Scores

Scores will be available, with an option to purchase one if you wish, on the day. CDs of the *Requiem* will also be available.

Rehearsal and Informal Performance

The workshop will start at **10am**, with a mid-morning break, and a pre-performance break at **1pm**. There will be tea and coffee available during the breaks. The informal performance will start at **1.15pm**, and we hope you will encourage family and friends to attend the performance!

Performers may wear whatever they wish for the workshops and performance, though are encouraged to wrap up warm!
