

Nottingham Festival Chorus - Haydn's Creation: Choral Workshop and Concert

Anne Jackson writes:

Music for Everyone warmly invites you to join the Nottingham Festival Chorus, a vibrant mixed-voice choir of over 150 singers, to experience the wonder of Haydn's Creation - a breathtaking masterpiece that tells the story of the world's beginning, and the joy of life itself through glorious, uplifting music. More than just a Come and Sing, this weekend course and concert day, led by expert choral specialists, culminates in a spectacular concert at Nottingham's Albert Hall, featuring three outstanding soloists and a full orchestra. We'd love to bring together the biggest, most joyful chorus yet to raise the roof at the Albert Hall!

You'll receive music scores and rehearsal tracks ahead of the course weekend, along with the chance to attend optional sectional rehearsals in early January to help you get to grips with the notes and feel more confident.

Come and be part of this unforgettable musical celebration.

We really hope to see you there!

Anne
