To find more events, try googling, going to a specific choir website, or British Choirs on the Net, <https://www.choirs.org.uk/>

If you'd like to prepare for your part in advance, you can obtain MIDI sound files for the music from sites such as: <https://www.learnchoralmusic.co.uk/>; <https://www.johnfletchermusic.org>; <https://www.cpd.org>; <https://www.prestomusic.com>.

You might find 'ChordPerfect' particularly useful since it features a professional vocalist singing the lyrics for your part. The ChordPerfect site includes most major compositions that are no longer in copyright: <https://www.chordperfect.com/>.

Alternatively, you can buy a CD of a part from Choraline, <https://www.choraline.com> or use the Choraline 'app' to purchase and download music. The speed may be slowed down using Windows media player by 'right clicking' on the window, selecting 'Enhancements' then 'Play Speed Settings'.

Vocal scores may often be borrowed from your County Library store. Phone them to check, and they can easily send it to your local library to pick up. The host choir may lend to you in advance (deposit may be needed), or try your local music shop.

**This Calendar is updated regularly. Please email [harrisonsm\\_uk@yahoo.co.uk](mailto:harrisonsm_uk@yahoo.co.uk) to be added. Happy Singing!**
